

COLUMBIA UNIVERSITY

DEPARTMENT OF CHEMICAL ENGINEERING Fall 2017 MS Colloquium

Friday 8 Sep 2017 *Program Welcome!* - Scott Banta (Columbia University)
Life as a Graduate Student – Andrew Jimenez (CheGO)

Friday 15 Sep 2017 *Internships, Resumes and Corporate Recruiting* – Meg Levy + Recruiting Team
(Johnson & Johnson)

Friday 22 Sep 2017 *American Institute of Chemical Engineers Young Professionals (AIChE-YP):*
Sara Chuang (AIChE-YP)

Friday 29 Sep 2017 *A Historical Perspective of Chemical Engineering* – Robert Bozic (Columbia University)
NJIT PhD Recruiting- (Gennady Gor- NJIT)

Friday 6 Oct 2017 (No MS Colloquium)

Friday 13 Oct 2017 #*Interviewing Class*- Irina Khenkin (Columbia University)

Friday 20 Oct 2017 #*Engineering Career Fair* (No MS Colloquium)

Friday 27 Oct 2017 *Design of Mild Surfactants for Personal Care* – Euen Gunn (Johnson & Johnson)

Tuesday 31 Oct 2017 – Thursday 2 Nov 2017 #*Chem Show at the Javits Center NYC* (You must register at www.chemshow.com prior to attending.)

Friday 3 Nov 2017 *The Engineer in the Catalyst Industry* – Robert Farrauto (Columbia University)

Friday 10 Nov 2017 *Chemical Engineering in the Pharmaceutical Industry* – Elias Mattas (Allergan)

Friday 17 Nov 2017 Industry Research *Anthony Geonnotti* (Johnson & Johnson)

Friday 1 Dec 2017 *The role of Lipids in Skin Health* – Apostolos Pappas (Johnson & Johnson)

Friday 8 Dec 2017 MS Colloquium Make Up Period.

Chemical Engineering Masters Colloquium will occur on Fridays from 2:10 PM - 3:25 PM. The regular classroom is 833 Mudd. # indicates a Career Placement Requirement. Direct all questions regarding career placement requirements to the career placement officer.

This information is as of 8 Nov 2017.
