

COLUMBIA UNIVERSITY

DEPARTMENT OF CHEMICAL ENGINEERING Fall 2016 MS Colloquium

Friday 9 Sep 2016 *Life as a Graduate Student* – Brian Tackett (CheGO)

Friday 16 Sep 2016 *Internships, Resumes and Corporate Recruiting* – Meg Levy + Recruiting Team (Johnson & Johnson) **Location is 301 Pupin. This location is a change from the regular classroom in order to support a larger colloquium class. Plan accordingly so that you are seated on time.**

Friday 23 Sep 2016 *Lifelong Learning through AIChE: The Global Home of Chemical Engineers* – Monica Stowe (American Institute of Chemical Engineers- AIChE)

Friday 30 Sep 2016 *Center for Career Education* – Vyju Manian (Columbia University)

Friday 7 Oct 2016 *External Innovation* – John Bell VP External Innovation and Alliances (Johnson & Johnson)

Friday 14 Oct 2016 *Engineering Career Fair* (No MS Colloquium)

Friday 21 Oct 2016 *A Historical Perspective of Chemical Engineering* – Robert Bozic (Columbia University)

Friday 28 Oct 2016 *End to End Product Design* – Laurence Halimi (Johnson & Johnson)

Friday 4 Nov 2016 *The Engineer in the Catalyst Industry* – Robert Farrauto (Columbia University)

Friday 11 Nov 2016 *Chemical Engineering in the Pharmaceutical Industry* – Elias Mattas (Bristol-Meyers Squibb)

Friday 18 Nov 2016 *Design of Mild Surfactants for Personal Care* – Euen Gunn (Johnson & Johnson)

Friday 2 Dec 2016 *The role of Lipids in Skin Health* – Apostolos Pappas (Johnson & Johnson)

Friday 9 Dec 2016 MS Colloquium Make Up Period.

**Chemical Engineering Masters Colloquium will occur on Fridays
from 2:10 PM - 3:25 PM. The regular classroom for Fall 2016 is 833 Mudd.
This information is as of 31 Aug 2016.**
